

Irish Society of Dentistry for Children

An invitation for submissions for the

2014 O' Mullane Prize.

This Prize is open to any person associated with the provision or organisation of dental care for children in Ireland. The award will be given to the best individual judged to have presented on any topic related to the provision of dental care to children. This may include technique description, audit, case report, literature review, research or service organisation.

The winner will receive €250 cash award, complimentary Annual Session registration and a plaque at the Annual Session.

The finalists will be selected by the ISDC Scientific Committee based on submission of an abstract by 10th March 2014 and must present their papers at the Annual Session, 10th April 2014 in Dublin

For detailed instructions, application form, abstract style sheet and other inquiries please contact:
